

PEOPLE FOR EDUCATION HAS RESOURCES, SERVICES AND SUPPORTS.

Speakers:

Workshops for Parents, Teachers, Principals or Trustees (contact us for fees):

- Our speakers can address a wide variety of school-related issues, from school to home relationships, building positive relationships between principal and school council, to homework and special education support. Workshop fees include a two-hour workshop, preparation and materials for participants.

Keynote Speeches (contact us for fees):

- Annie Kidder, a dynamic and engaging presenter, will speak to your organization about current issues in public education or the latest research. Keynote speeches can be tailored to meet the needs of your group. Speaker fees include a one-hour presentation, preparation and materials for participants.

Resources:

Annual Research Package \$850

- Advance notice of the release of all People for Education research and reports
- 2 copies of the People for Education Annual Report. In addition, you will receive 2 copies of each of our short subject-specific reports as they are released (past examples include reports on Ontario's School Libraries, the Arts in Ontario Schools, School Closings, Small Schools, and Class Size), and electronic copies of all reports. You may also post links on your website to electronic copies of reports on our website, during the one year subscription period.
- A subscription to our newsletter.
- 2 admissions to our annual full-day conference held at York University in Toronto. (Does not include accommodation)

Thank you for your interest! If you need more information please contact us at 416-534-0100 or via email info@peopleforeducation.com
